**WILLEMITE** - Yellow, reddish-brown, greenish. Is associated with caring and tenderness. Helps us to be kind and empathic to all beings.

**WINDOW CRYSTALS** - Clear quartz crystals with an extra diamond-shaped facet. These crystals let us see the spirit realms. Looking through the "window" of the extra diamond-shaped facet, you might see the realms of angels and spirit guardians, for example. If the "window" is tiny and in a non-symmetrical position, you might see spirit worlds that are less well known, such as the realms of extra-terrestrials, Devas or goddesses. Window Crystals also lead us within, to our own souls.

**WITHERITE** - Clear, yellow, white. Helps us to be modest without being too humble.

**WULFENITE** - Orange, red, honey-colored yellow. Teaches us to be stewards and caretakers of all the wild and beautiful pieces of nature. Encourages us to get outdoors and enjoy nature. Fosters creativity and devotion.

**ZIRCON** - Is also known as **Hyacinth**, **BROWN ZIRCON** inspires independence. It also helps us attract land and a permanent home. **GREEN ZIRCON** promotes renewal and friendliness. Blue **ZIRCON** fosters spirituality and praying. **PINK ZIRCON** helps us appreciate life more. **PURPLE ZIRCON** enhances prosperity. **RED ZIRCON** is for purification. **YELLOW ZIRCON** brings inspiration.

**ZOIZITE** - Enhances self-control, temperance, self-esteem, healing, harmony, dream recall and relaxation. Teaches us to follow the laws of nature and to act responsibly towards others and ourselves. Good for insomniacs.
